

On December 18, 2017, Tampa Maritime Association-International Longshoremen’s Association Pension Plan (“Tampa”) filed a putative class action complaint against General Electric Company (“GE”) and a number of individual defendants who served as GE officers. Tampa submitted to the Court a Related Case Statement (17-CV-9888 Docket No. 8) seeking to consolidate 17-CV-9888 with a previously filed class action against the same defendants. The Court agrees that the cases are related. Accordingly, **unless any party objects within a week of this Order**, the cases shall be consolidated. All deadlines currently in force in 17-CV-8457,

including those pertaining to appointment of a lead plaintiff and lead counsel (*see* 17-CV-8457 Docket No. 7) shall likewise apply to 17-CV-9888.

SO ORDERED.
